

Aujourd'hui, Timothée est énervé par une petite mouche qui l'a réveillé. Il bâille, sort de son trou et glisse doucement autour des jolies fleurs quand il entend la petite mouche se moquer de lui :
« Tu n'arriveras pas à me manger na na nère, je vole trop haut pour toi ! »
Timothée, furieux, se retourne et s'élançe vers la mouche qui se sauve en riant... « Au revoir Timothée ! »

Timothée nous a appris à écrire le Ø.
